DEPUTY SECRETARY
27 JAN. 1925
CHIEF SECRETARIAT

Sir,

I have thehonour to request you to be good enough to sanction the sale of the land, R.S.No.95 on page 76 of the Schedule of Immovable Properties Belonging to the Basel Mission in the S.Kanara District in Kemmunje Village. My attention has been called to the fact that owing to a clerical error this number was omitted in making the request for sale in 1923 -- my letter to the Chief Secretary dated 15th April 1923. The considerations that led to the recommendation for the sanction of sale in the case of the rest of that propefty apply also to this portion of the property.

I have also the honour now to request the sale of the following properties:-

90-A Bolur, plot no.465, ryotwari, 19602 sq.ft., lease from Government. page 3 of Schedule A -Rectification Deed.

90-A Bolur R.S.No.234, ryotwari, 8,712 sq.ft. held on mulageni. page 19 -Schedule C - Supplemental Deed.

These are also treated in the correspondence referred to above and particularly in a letter from the Chief Secretary, No.11203/4 dated 3rd May, 1923..

I have the honour to be,
Sir,
Your most obedient servant,

Chairman, M.T.S.I.

The item measuring 0.19602 Sq ft must be wrong. If we get this absurd measurement for the 6th item it should be rechecked

The Correct area of the item is 1.9602 Sq ft + not .19602 Sq ft — p 18 of Q

The area of the other two items also have not been shown correctly. The area of the 1st item is 41818 Sq.ft. or 96 cents and that of the 2nd item is 14,810 sq.ft. or 34 cents. Vide page 18 of the paper at Q ~~3 of the Schedule at (L)~~.
